

Frequently Asked Questions - FAQs

Q. What does the price of the tour include?

A. Aside from a pleasant shock to your taste-buds with the local libations of Brown County, the price of the tour covers 4-6 sample tastings offered at each location, bottle of water, small snack, Brown County souvenir, Sippin' Trip booklet, and transportation.

Q. What will I see on the tour?

A. The tour experience may differ daily at the production facilities and tasting rooms. While some days we will see how the products are made, these businesses ultimately must continue their process of creating delicious spirits for your enjoyment. Therefore, depending on what's happening on location each day, we may be unable to go back into the production areas for safety reasons. However, this will allow for more time to enjoy a yummy cocktail or savory glass of vino before we head to the next stop!

Q. What can I do to prepare for my Sippin' Trip?

- Regardless of age, a valid photo I.D. is a must. Don't forget it!
- Wear comfortable walking shoes and weather appropriate attire (i.e. raingear, jacket, umbrella). Keep in mind that it can get rather warm in some production facilities, so you may consider dressing in layers.
- Dine before you wine. [Follow the link](#) for a list of dining options here in Brown County.

Q. How much alcohol does the tour include?

A. Approximately 4-6 sample tastings are provided at each location, also with sufficient, but limited time to purchase a beverage. Beverages cannot be taken on the bus, and must be finished before boarding or left on location. We encourage you to purchase whatever your heart desires, but ask that everyone drink responsibly. Purchased items may be stored on the bus; however, we are not responsible for anything lost or stolen.

Q. How can I show my appreciation to the lovely individuals who worked the tour?

A. If your tour guide or onsite staff really knock your socks off, gratuity is accepted cash only. Gratuities are not included in the price of the tour.

Q. How much walking does the tour include?

A. The Nashville General Store Express transports to all tasting locations outside of the Village. Travel time between locations varies from 5-10-minute rides. If your tour includes a walking portion, there will be no more than two 5-minute walks through the Village. Inside the tasting rooms, you'll be mostly standing with minimal walking through production facilities.

Q. Will the tour provide ADA accommodations?

A. The Nashville General Store Express does include a wheelchair lift. All locations provide wheelchair accessible entrances. Quaff ON! Brewing Co.'s tasting room is wheelchair accessible, however the production facility is only accessible by stairs.

Q. Can someone underage come along for the tour, but not drink alcohol?

A. It's best to leave the kids at home for this one. All tour participants are required to be at least 21 years of age and provide a valid photo I.D.

Q. What if I can't make it to my Sippin' Trip?

A. We understand "sip happens," however, we have a no refunds cancellation policy. We welcome you to call us at the Brown County Visitors Center with any questions or concerns.

Q. Should I turn my daytrip into a getaway?

A. The fun shouldn't end at 5'oclock! Brown County features a wide array of places to stay, including locally-owned hotels, bed and breakfasts, cabins, cottages, and campgrounds. There's something for everyone here! Please visit browncounty.com or download the *Discover Brown County* app for details on lodging options and helpful information to complete your visit.
