

Frequently Asked Questions - FAQs

Q. What does the price of my tour include?

A. Aside from a pleasant shock to your taste-buds with the local libations of Brown County, the price of the Sippin' Trip tour covers 4-6 sample tastings offered at each location, shuttle transportation, and a goody bag including one bottle of water, boxed lunch, Brown County souvenir, Sippin' Trip booklet.

Q. What will I see on the Sippin' Trip tour?

A. The tour experience may differ daily at the production facilities and tasting rooms. While some days we will see how the products are made, these businesses ultimately must continue their process of creating delicious spirits for your enjoyment. Therefore, depending on what's happening on location each day, we may be unable to go back into the production areas for safety reasons. However, this will allow for more time to enjoy a yummy cocktail or savory glass of vino before we head to the next stop!

Q. What can I do to prepare for my Sippin' Trip?

- Regardless of age, a valid photo I.D. is a must. Don't forget it!
- Wear comfortable shoes and weather appropriate attire (i.e. raingear, jacket, umbrella). Keep in mind that it can get rather warm in some production facilities, so you may consider dressing in layers.
- Dine before you wine. [Follow this link](#) for a list of dining options here in Brown County.

Q. How much walking does the tour include?

A. The Nashville General Store Express transports to and from all 4 tasting locations. Travel time between locations varies from 5-10-minute bus rides. Inside the tasting rooms, you'll be mostly standing with minimal walking through production facilities.

Q. How much alcohol does the tour include?

A. Approximately 4-6 sample tastings are provided at each location, also with sufficient, but limited time to purchase a beverage. Beverages cannot leave the locations from which they were purchased and must be finished before boarding the bus. Participants may NOT bring their own alcohol or coolers on the tour. We encourage you to purchase whatever your heart desires but ask that everyone drink responsibly. Items purchased on the Sippin' Trip tour may be stored on the bus; however, we are not responsible for items lost or stolen.

Q. How can I show my appreciation to the lovely individuals who worked the tour?

A. If your tour guide or onsite hosts really knock your socks off, gratuity is accepted cash only. Gratuities are not included in the price of the tour.

Q. Will the tour provide wheelchair accommodations?

A. The Nashville General Store Express shuttle does include a wheelchair lift. All locations provide wheelchair accessible entrances.

Q. Can someone underage come along for the tour, but not drink alcohol?

A. It's best to leave the kids at home for this one. All tour participants are required to be at least 21 years of age and provide a valid photo I.D.

Q. What if I can't make it to my tour?
