

Frequently Asked Questions - FAQs

Q. What does the price of my tour include?

A. The tour includes 4-6 sample tastings at each location, guided shuttle transportation, a packed lunch, bottled water and a Brown County souvenir.

Q. What will I see on the Sippin' Trip tour?

A. The tour experience differs daily at production facilities and tasting rooms. While some days we see products being made, these businesses ultimately must continue their process of creating delicious spirits for your enjoyment. Based on what's happening on site, we may be unable to enter production areas. However this allows for more time to enjoy a yummy cocktail or savory glass of vino!

Q. What can I do to prepare for my Sippin' Trip?

- Regardless of age, a valid photo I.D. is a must. Don't forget it!
- Wear comfortable shoes and weather appropriate attire (i.e. raingear, jacket, umbrella). Keep in mind that it can get rather warm in some production facilities, so you may consider dressing in layers.
- Dine before you wine. [Follow this link](#) for a list of local dining options.

Q. How much walking does the tour include?

A. The Nashville General Store Express transports to all 4 tasting locations. Travel time between stops varies from 5 to 10-minute bus rides. Inside tasting rooms you will be mostly standing with minimal walking through production facilities.

Q. Can someone underage come along for the tour, but not drink alcohol?

A. It's best to leave the kids at home for this one. All tour participants are required to be at least 21 years of age and provide a valid photo I.D.

Q. How much alcohol does the tour include?

A. Approximately 4-6 sample tastings are provided at each location, along with sufficient but limited time to purchase a beverage. Beverages cannot leave the location from which they were purchased. Participants are NOT allowed to bring their own alcohol or coolers. We encourage you to purchase whatever your heart desires, but do ask that everyone drink responsibly. Items purchased may be stored on the bus; however, we are not responsible for items lost or stolen.

Q. How can I show my appreciation to the individuals who worked the tour?

A. If your tour guide, bus driver, or tasting room hosts really knock your socks off, gratuity is accepted cash only. Gratuities are not included in price of tour.

Q. Can the tour provide wheelchair accommodations?

A. The Nashville General Store Express shuttle does include a wheelchair lift. All locations provide wheelchair accessible entrances.

Q. What if I can't make it to my tour?

A. We understand "sip happens," however, we have a no refunds cancellation policy. If you booked a tour and can't come on that specific date, we can transfer your payment to another date in which you are able to attend. We welcome you to call us at the Brown County Visitors Center with any questions or concerns.
